

## St Mary's Art Group

We are a friendly group that meet on a Thursday afternoon between 1pm and 3pm. The group started out supporting the homeless and other vulnerable adults, though anyone is welcome. Over time we have grown in numbers and members have become a close but still welcoming group.

We try out lots of different arts and crafts and each week everyone looks forward to what is coming up next!

Sometimes people find what we are doing tricky, but we help each other out to get some amazing results!

We have been hoping to showcase our work and organise an exhibition, so look out for news of what we are up to next .

For details of the group contact Clare Steel on 01745-353991.
