

St Mary's art and Craft Group Mini Exhibition

On Saturday 13th April people gathered for an arts morning to celebrate some of the local talent of our area.

Members of the St Mary's art and craft group were very proud to show off their creative flair. People commented on how lovely and bright everything looked.

For one member, who's mum came to look at his work, it was a chance to showcase what he gets up to every Thursday afternoon!

Seeing the work formally displayed meant that it was shown to its full advantage.

We hope to have more events like this and give even more people chance to see the wonderful talents within us all.

We also sold some small items, such as felted eggs, Easter wreaths and painted stones, raising valuable funds for Cafod.

If you are interested in joining the group:
